

American Sign Language

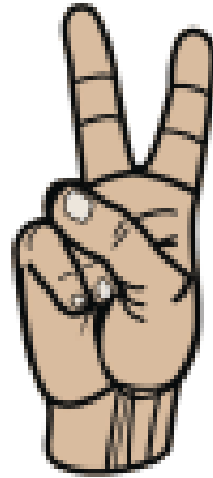

The image shows three hand gestures for the numbers 1, 2, and 3 in American Sign Language. The first gesture (left) is the number 1, with the index finger pointing up and the other fingers curled. The second gesture (middle) is the number 2, with the index and middle fingers pointing up and the other fingers curled. The third gesture (right) is the number 3, with the index, middle, and ring fingers pointing up and the other fingers curled.
